Alliance Healthcare Rolls Out Suite of Digital Solutions for Private Clinics

- **Allly E-Services suite of digital solutions allows private medical clinics to provide patients with digital services that include e-appointments, e-payments and teleconsultations**
- **All of Allly E-Services digital applications adhere to PDPA guidelines**

Singapore, 22 April 2022–Alliance Healthcare Group Limited (SGX: MIJ), an integrated healthcare organisation that leverages technology to provide a broad suite of healthcare services primarily in Singapore (“Alliance Healthcare” or the “Company” and together with its subsidiaries, the “Group”), is pleased to announce that its wholly-owned subsidiary, Alliance Healthcare Pte. Ltd. (“AHPL”), has launched Allly E-Services in collaboration with SG IMED Pte. Ltd. (“SGIMED”).

Allly E-Services consists of digital solutions to help clinics digitalise their operations. These digital applications include a remote queue system, e-appointment, e-payment service and a teleconsultation platform. Digital applications through Allly E-Services strictly adhere to the guidelines of the Personal Data Protection Act (“PDPA”). Data privacy and the upkeep of customers' trust through accountability is of the utmost importance to the Group, and it will continue to comply with its obligations under the PDPA.

SGIMED is a Singapore-based company that is principally engaged in the development and leasing of proprietary clinic management and electronic medical record solutions for medical service providers, such as general practitioners, specialists and dentists.

Executive Chairman and CEO of Alliance Healthcare, Dr. Barry Thng Lip Mong (唐立茂) commented, ***“We hope Allly E-Services suite of digital solutions will make it easier for individual clinics to incorporate technology into their service offerings, thereby unlocking opportunities to meet rising patient demand for better access and convenience. Together, we can strengthen the digital capabilities of private clinics and equip them to provide quality personalised services to their customers.”***

About Alliance Healthcare Group Limited

Founded in 1994, Alliance Healthcare Group Limited and its subsidiaries (the “**Group**”) is an integrated healthcare group that leverages the use of technology to provide a broad suite of healthcare services primarily in Singapore. The Group designs and provides enterprise-level healthcare solutions to meet the demands of organisations and individual patients for reliable and cost-effective healthcare services.

The Group’s business comprises five key segments: managed healthcare solutions, GP clinic’s services, specialist care services, pharmaceutical services and mobile and digital health services. For managed healthcare solutions, the Group has arrangements with insurers and service corporations through its Alliance Healthcare Network of self-owned clinics and a panel of medical services providers, who offer outpatient healthcare and treatment at private hospitals. The Group operates 16 self-owned GP clinics, operating under the “My Family Clinic” brand name, as well as five self-owned specialist clinics providing medical diagnosis and medical or surgical treatments for ENT, colorectal and orthopaedic conditions. The Group also operates a pharmaceutical business engaged in the wholesale distribution of pharmaceutical products to hospitals, pharmacies and clinics in Singapore and overseas. In addition, the Group also provides mobile and digital health services enabling patients to obtain time-saving, cost-effective and quality healthcare services comfortably and safely, at home or the workplace, through the use of our digital platforms, health app and specialized care management programs.
